Foreword

IN THIS VOLUME OF THE "JAMBALAYA" WE HAVE ATTEMPTED TO PRESENT A RECORD OF ONE YEAR OF OUR LIVES AS STUDENTS OF TULANE UNIVERSITY.

IF, THEN, IN YEARS WHICH ARE TO COME, THIS BOOK WILL AID IN BRINGING BACK FOND REMEMBRANCES, IN RECALLING OLD FACES AND FRIENDSHIPS, AND THE DAYS WHICH WERE SO HAPPILY SPENT AT TULANE, THEN OUR EFFORT SHALL NOT HAVE BEEN ENTIRELY IN VAIN AND WE SHALL HAVE JUSTIFIED THE FAITH.

We honor Ensign Kendall H. Cram whose life was so intimately connected with the University, both as a student and later as graduate manager of student activities and director of the Alumni Association. It is altogether fitting that we pay tribute to the loyalty and devotion to duty which characterized his life and was reflected in his death. To his memory we respectfully dedicate this volume of the Jambalaya.

MESSAGE FROM

During its 109th session, Tulane University, like the nation, has been transformed from a scene of peace time activity to an institution linked actively with the country's war effort. Many Tulane men are serving the Colors in far-off fields. Many students are enlisted in the armed services months ahead of graduation. The coming session will see many more on the campus, on active duty with the armed forces, engaged in training on the college level. Such universities as Tulane stand as the strongest bulwark of democracy and freedom. Without broad culture there can be no democracy. Without it there can be no enduring hope for any form of society to nurture the free man. Such things are won through knowledge and education. Your formal education here has been conducted pursuant to the most exalted conceptions of human life and destiny, and it is for a world toward which man is forever striving that you have been trained. It has been for you that Tulane University has existed. With a review of the past year, this book should indicate that the men and women of Tulane and Newcomb have prepared themselves for total war and expect to insure for themselves and their descendants a future worthy of their illustrious past.

upon leaving the University are entitled to membership in the Alumni Association. Through the medium of "The Tulanian", alumni publication, former students of Tulane keep in close contact with friends and classmates. Since many of the alumni are now in the armed services, a popular feature of the magazine is called "Tulanians in the Service". This contains pictures of men in uniforms and data concerning their service. The Alumni Association has recently reorganized its class agent system which gives representation to every class in each college. The system will be permanent, and the agents will serve in whatever capacity the exigency of the University demands. The efficiency of the new system was demonstrated by the success of the war savings bond campaign conducted last year among the alumni.

STUDENT

The Tulane Student Council is composed of the presidents of the various colleges of the University. Along with Miss Beatrice Field, the Graduate Manager of Student Activities, they plan the activities programs for the students. The members are: James Ely, Arts and Sciences; Julian Brignac, Commerce; Robert Grush, Engineering; Tom Harlee, Graduate School; James Erwin, Law; John Riddler, Medicine; Moonyeen Marion, Newcomb; and Thaid Morris, Social Work. It is the duty of the Student Council to represent the student body in all matters, and although most details of government are managed by the student body officers of each individual

college, the more important issues, such as election of all kinds, allotment of funds from the student fees to campus organizations, business contracts, selection of cheerleaders, and arbitration of disputes are under the jurisdiction of the Student Council. This year in line with the war effort they sponsored the very successful war chest and Red Cross drives, and the campaign to send cigarettes to service men overseas. This executive committee has received the wholehearted cooperation of the members of the University in adapting to the many changes brought about by their accelerated program. Officers are: President, James Erwin; Vice-President, John Riddler; Secretary, Moonyeen Marion.

NEWCOMB HONOR BOARD

EVA DOUGLAS
President

The Newcomb Honor Board has jurisdiction over the conduct of students in their relation to the college and to one another. At the beginning of the school year each freshman is orientated into the Honor System by taking a pledge, before the Honor Board, to abide by the regulations of Newcomb's Honor System. All cases of violations of the regulations of the Honor System are handled by the Honor Board. A girl who is a violator of some rule of the Honor System is penalized by the Honor Board according to her violation and the circumstances. The Honor Board also supervises elections, keeping the polls, counting the votes, etc. This year's president, Eva Douglas, has received perfect cooperation from all the Honor Board members and the other officers, Vice-President, Phyllis Watson; and Secretary-Treasurer, Shirley Dunlap, in fulfilling the purposes of the Honor Board—to maintain within Newcomb College a high standard of integrity and personal character.

The Resident Student Government Association is composed of representatives of the four dormitories. The purpose of this council is to provide self government for the resident students and to act as a jury in cases of violation of dormitory rules. The council has the power to mete out punishment, in the form of restriction to campus, to the offenders. As other student government bodies, the Resident Student Government Association is run on the honor system. Its officers for the past year were: Margaret Ann Williams, President; Frances Cash, Warren House President; Harriet Line, Doris Hall President; Innes Glynn Ellis, Secretary; Betty Ann Caldwell, West Wing President; J. L. House, Mary Sheppard; East Wing President, J. L. House.

The Newcomb Student Government Association is the organization of student self-government at Newcomb. It consists of a legislative element, the Student Body, composed of the members of the college; an executive element, the Student Council which is composed of the officers of the Association, the President of the Honor Board, the President of the Schools and Classes, and the President of most major organizations; and a judicial element, the Honor Board composed of elected members. The Student Council with the President of the Association as its chairman, is the piloting unit of the self-governing body of students. It carries out the legislation of the Association and suggests any that may prove beneficial to it, charters all clubs and organizations, forms a basis for cooperation between faculty and students, and at all times embodies in its actions the active and creative spirit and ideals of an association of able and adult individuals. Officers for the past year were: Moonyeen Marion, President; Nita Kidd, Vice-President; Jerry Liddell, Corresponding Secretary; Adele Redditt, Recording Secretary; Shirley Wiederecht, Treasurer.

The Student Center Council, under the direction of Mrs. Morphy, has carried on very successfully this year in getting the students to make more use of the Student Center. A "Meet the Team" party started off the year with hot dogs and coffee and a spectacular array of muscle men. The ghosts and goblins took over at Halloween, and for Christmas old St. Nick paid a visit with a sack full of toys and candy. The doors of the Student Center were thrown open after the basketball games and the weekly Saddle Shoe Stomps were added to by an occasional orchestra.

Lagniappes is an organization formed to promote school dances. Remember the Homecoming Dance? What a time was had by all with Queen Dottie Ecuyet and President Tom Bernard leading the grand march. Last year Charlie Spivack and Nick Stewart played. This year Alexander's ever-popular orchestra provided the music, and couples crowded the floor as always. And what about the Sophie and Paul Dance that was given in the spring? Midst cheering and applause the typical boy and girl students of Tulane University were selected and will reign as Sophie and Paul for the year of '43. Here's for more and better student dances in the years to come!

PUBLICATION BOARD

The Publication Board this year is noted for its addition of a Newcomb representative to the honorable assemblage of activity bosses and the presence of the first girl ever to edit the "Hullabaloo". Other members are the Editor and Business Manager of the "Jambalaya", the Business Manager of the "Hullabaloo," a Student Council representative and one from each college who must be a class president or otherwise a "smart, active, sound judging" man who holds a class office. The Chairman of the Board is the President

of the Student Council. Mr. George Simmons and Miss Bea Field keep this "ever-discussing" board from going on endlessly and advise action. One of the most responsible jobs on the campus is performed by this illustrious group when they elect the Editors and Business Managers for both the "Hulla" and "Jamb".

Something new was added this year. And a tradition was broken in the guise of Gloria Monninger, blonde bombshell, who became the first girl to edit the *Hullabaloo* in the history of Tulane. Gloria stood for streamlined makeup, timeliness, and excellent news coverage. Characterized by its balanced makeup, the *Hulla* gathered new friends on and off the campus this year. It deserves the traditional laurel wreath for changing the conventional editorial page to one minus column rules. It maintained a wide awake appearance by the use of white space and heavy black heads to set off the editorials and columns. Cartoons were made to conform with the lead editorial or news story each week. Like everything else, the *Hulla* had its ups and downs. One edition was a day late in appearing, because it broke a Navy story too soon, and had to burn a week's supply of foolscap. A congratulatory letter from the editor of the 24th *Hilites*, official paper published at Fort Benning, Ga., where the Tulane Medical Unit is stationed, was one of the things of which the diminutive editor is proudest. Other items of pride were a book review by Commander T. B. Brittain, formerly of the R.O.T.C., and the broadcast of an editorial written by Bill Smolkin. Monninger ruled the journalistic roost with a firm but gentle hand, and kept the inclined-to-wander staff in tow. The inevitable fixtures, the junior reporters, were busy

towing the blue pencil line. Minor's column, *Highway*, was taken over by an unknown soul named "Moe", who articulated on everything from the erstwhile victory garden at Tulane, to Eleanor Roosevelt, the vice-president. Now it can be told that Millet, of *Grist* fame is a girl, whose column highlighted the editorial page with a hodge podge of information. Ed Baldinger, quiet and methodical, changed horses in mid-semester, by vacating the sports editorship to become associate editor, in the absence of Eleanor Crouch, the molasses-on-the-up-take girl, who left school via the graduation process. Kay Brush, who speaks the Queen's English, wielded the copy pencil over the Newcomb page. Dick Hodges, sports editor, appeared on Tuesday with copy and girl in tow. G. W. Ford, former feature editor, left Cora Levine to hold down the fort when he was whisked away from school to become one of Uncle Sam's favorite nephews. Leonard King, business manager, dropped in occasionally to set six pages with variations per week. Irwin Poche, Jr., camera in hand, always turned up on blue Tuesdays (copy day) to heckle the gals. It was an eventful year. The Navy couldn't make up its mind, and the *Hulla* went crazy over its indecision. But the staff came through with flying colors, and kept the rag from falling apart.

THE JAMBALAYA

This is your record of the past year. We hope that looking through it will bring back many pleasant memories. We have been forced by economic and material shortages to make quite a few changes this year, which we think have turned out pretty well. Anyway, we've had a lot of fun preparing it. We hope that you have as much reading it.

THE GREENBACKERS

This year the Greenbackers are proudest of their brainchild, the T.C.V.C. What started out as an idea by which Greenbackers could aid the war effort wound up being a well established organization of city-wide fame. Throughout the football season the boys and girls who make up this school spirit organization prepared the bon fires that reminded the Green Wave of the students who were rooting for the team. Officers for the past year were: Tom Holmes, president, and Lucinda Hill, secretary.

The Tulane University Rooters Klub, originally designed as a school spirit organization, has now donated its services to the furtherance of the war effort and is a member of the T.C.V.C. One of the outstanding projects of Turk for this year was the war bond and stamp drive, put on at the Homecoming football game, which proved to be very successful. Turk has continued to put on displays at the football and basketball games. Turk also sponsored the Paul and Sophie dance which was a unique event on the Tulane campus. Officers for the past year were: Leonard King, president, and Carolyn Loeb, secretary.

THE TULANE THEATRE

The Tulane University Theatre completed its fifth season under Dr. Monroe Lippman with a return from the confusion of William Saroyan's "Jim Dandy" to the reality of Owen Davis' modern mystery comedy, "Mr. and Mrs. North", and the robust humor of Shakespeare's "Twelfth Night". After opening the sixth season with Booth Tarkington's "Clarence", the Theatre cooperated with the Tulane-Newcomb Choral groups in the production of the "Pirates of Penzance". The Theatre next presented to the campus the nuisance Evelyn Heath in

Twelfth Night.

MR. AND MRS. NORTH

Wilde and Eunson's "Guest in the House". At this writing the fourth play of the year has not yet been announced. This year the Theatre has entertained 100 soldiers at each performance. Last year "Mr. and Mrs. North" was presented at La Garde Hospital. Next season the Theatre plans to take a more active part in the war effort by touring nearby army camps.

The "Math Club" was organized in 1940 by a group of students who thought they'd like to enjoy a little more Euclid and Pythagoras than they got in their classrooms. With the assistance of the faculty, the organization has steadily gained prominence on the campus, and now boasts of over thirty future Einsteins. Highlight of the year was a freshman contest with a loving cup for a prize. Officers for the past year were: Joseph Zemmer, President; Irwin Isaacson, Vice-President; Ruth Biggers, Recording Secretary; Robert Jacks, Corresponding Secretary and Treasurer.

One of the most vital choral organizations is the A Capella Choir composed of a selected group of both Tulane and Newcomb students and directed by Professor Maynard Klein. Not only does it give an annual spring concert but also participates in many campus activities such as singing for graduations, the Memorial Day Service, and the Easter Sunrise Service. However, it does not confine itself to college functions, for realizing its duty in the war effort, a trip was made to Camp Shelby by the group and four concerts were given for the service men.

TULANE GLEE CLUB

The Tulane Glee Club is one of the oldest musical organizations on the campus. Its purpose is to provide an organization which affords those interested the opportunity to sing. To those who participate it is a means of securing fellowship and cultural advancement. The club's repertoire is diversified and voluminous and ranges from the classics to negro spirituals and American college songs. The club gives concerts both in and out of the city and appears frequently on radio programs. It periodically combines with the Newcomb Glee Club to form the Festival Choir.

NEWCOMB GLEE CLUB

The Newcomb Glee Club is a very active organization on the campus, with a membership of 180 girls. Each year the club makes many public appearances, culminating in a joint concert with the Tulane Glee Club in the spring. Other important appearances this year constituted singing on the first Campus Night of the season, and also in a concert with the large Festival Choir. The music that is sung is not only in the light popular vein, but it is one of the aims of the group to further and promote the compositions of the great masters.

THE TULANE BAND

Most of the student activities have felt the effect of the war this year and the band is no exception. In November, Mr. J. J. Morrissey was appointed to the Specialist Corps of the U. S. Army with the rank of Captain. He was succeeded by Mr. T. S. Harllee, under whose direction the band continued successfully its program of activities. A marching band of 65 members played for all of the games, but at the end of the football season, members began leaving to join various branches of the armed forces, thereby forcing plans for the annual Spring Concert to be abandoned. However, the members who remained in school continued to practice until the fateful day when it was announced that the band room was to be used for other activities in the Navy training program at the University. At this time, rehearsals were temporarily discontinued, while a new home for the band was being found. The band continued to rehearse at night, along with the University Symphony Orchestra, assisting in the preparation of the first performance in New Orleans of Handel's great composition for band, *The Royal Fireworks Music*.

**YOUNG MEN'S
 CHRISTIAN ASSOCIATION**

Students at Tulane University have fund the Y. M. C. A. one of the most active and beneficial of the organizations on the campus. The Tulane "Y" recognizes that the students at a university are conscious of a need for moral improvement that is not given by the bare facilities of the University itself. It is non-secretarian and invites into its membership all students who are genuinely prepared to seek the truth of the Christian faith in terms of thought, practical daily living, and in relation to their social responsibilities. The "Y" is campus-wide in its scope. It is not a group of students out of touch with the life of the University, but a group of Christians who are seeking to serve the student body as a whole. In all its undertakings it tries to reflect credit to the University, give unity and purpose to the student body, and personal development to the individual student.

Among its events, the Newcomb Y. W. C. A. participates actively in Freshman Orientation Week, gives a Christmas party for the student body and faculty, and sponsors with the Tulane Y. M. C. A. the Easter Sunrise Service. Throughout the year the "Y" holds a variety of programs which aims at promoting school spirit and fellowship between the students and faculty. The meetings are held weekly, usually in the "Y" Room in the J. L. House. Membership is open to the entire student body. Officers are Yvonne Anderson, President; Dotty Bonnett, Vice-President; Martha Ann Rogers, Recording Secretary; Innis Ellis, Corresponding Secretary; Dorothy Schneider, Treasurer; Miss Beth Jarman, Executive Secretary. The Cabinet members are Ruth Biggers, June Conravey, Marie-Louise Cuquet, Eva Douglas, Frances Fort, Eve Heinemann, Jerry Liddell, Shirley Liddell, Toby McCarty, Elaine McFaul, Betty Smedes, Margaret Wiedorn.

ORATORICAL AND DEBATING COUNCIL

The Oratorical and Debating Council sponsors all forensic activities at Tulane. During its long period of existence, the Council has succeeded in achieving its goal of creating and fostering an interest in debate on the campus and of ably representing Tulane at all inter-collegiate debate tournaments. Restrictions on travel this year have compelled the Council to confine its activities to non-decision debates with the local high schools. The officers are John Baraway, President, and Victor Hess, Secretary-Treasurer.

DEBATING TEAM

This year was to have been a "banner" one for the Tulane Debating Team as most of the members from last year's team were returning but the transportation problem interfered. Under the guidance of their new coach and faculty adviser, Mr. Ray Forrester, plans were laid to visit nearby colleges and attend several tournaments. However, the team had to be content with local debates, culminating with a non-decision affair against the University of Southern California. Members of the team were: Frank Bruno, John Caraway, Max Derbes, Victor Hess, Leonard King, Bob Woolley, and Bill Wright.

This organization was founded to promote interest in debating and public speaking. The activities consist of debates and discussions at club meetings as well as contests with other college teams. In the past there have been debate against Oxford, University of Texas, N. Y. U., L. S. U., and others, but since Pearl Harbor, traveling difficulties have pushed this more pleasant side of forensics out of the picture. Besides out-of-town contests, the club takes part in an annual student-faculty debate, the yearly Glendy Burke-Jennie C. Nixon debate, and two prize debates: for the George Prize and the Nixon Prize. There are no eligibility requirements for membership; interest is all that is needed.

NEWCOMB ATHLETIC COUNCIL

Newcomb's well-equipped physical education department offers various sports for each season of the year. All girls are required to take the prescribed gym courses which terminate with Junior dance the end of the third year. It is those Juniors taking Junior dance who participate in the annual May Day Pageant given in honor of the graduating class. For each major sport such as soccer, basketball, volley ball, tennis, ping pong, bowling, shuffleboard, badminton, horseshoes, and archery, there is an intramural tournament. Each girl is eligible to join a team but one practice game is necessary in order to play in an intramural competition game. The athletic council which is in charge of the intramural program also manages the individual sports, and in the last week of school, award are given to those girls who have either won the individual tournaments or have adequate points for a gym award. Officers: Julia Herfeld, Chairman; Innes Glynn Ellis, Secretary-Treasurer. Members: Ruth Calzada, June Conravey, Innes Glynn Ellis, Shirley Grenier, Julia Herzfeld, Jean Hirsch, Mabel Hochendel, Jonnie Horn, Carolyn Howell, Dorothy Nolan, Calista Rault, Octavia Reynolds, Peggy Dean Tullos, Anne West, Barbara Wilhite.

OMICRON DELTA KAPPA

Omicron Delta Kappa was founded at Washington and Lee in 1914. Alpha Zeta Circle was established at Tulane in 1930. Omicron Delta Kappa purposes to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicuous attainments along similar lines. In the selection of members, Omicron Delta Kappa recognizes achievement in five phases of campus life: scholarship, athletics, social and religious affairs, publication and speech and musical and dramatic arts.

ALPHA SIGMA SIGMA

Alpha Sigma Sigma was founded at Newcomb in 1916 as a Senior Honorary Society whose purpose it was to foster school spirit and loyalty among the Newcomb students. The original members were Kathleen Black, Regina Janvier, Minna Rock, Julia Schwabacker, and Hermine Uiffy. The members on the Newcomb faculty are Adele Drouet, Sally Reed, Mildred Christian, Clara Landry, and Rena Wilson. Each spring the new members are selected from the incoming senior class, and those girls chosen have been outstanding in all campus activities and have exceptional qualities of leadership, citizenship, and character. The Alpha Sigma Sigma participates quite actively in Freshman orientation, both formally and informally. With the help of a few other Seniors, these girls organize the members of the Freshman class into Handbook classes for instructions in the policies of Newcomb's Student Government Association. The president of Alpha Sigma Sigma directs the Freshman class meetings during the first quarter of the year until the Freshman class president can be elected. The 1942-43 president of Alpha Sigma Sigma was Nita Ethel Kidd.

KAPPA DELTA PHI

Kappa Delta Phi was founded at Tulane University in 1904; it is an honorary fraternity for the promotion of school spirit. Each year it selects from the Junior and Senior Classes men who have been conspicuous for school spirit and for distinguished and unselfish loyalty and endeavors during their university careers. Kappa Delta Phi has a two-fold purpose: first, it confers membership upon those signally effective and successful in promoting university spirit and advancing university enterprise; and secondly, it binds together these men into an organization dedicated to further endeavor in behalf of Tulane.

Members elected in 1942: William Davis, Jr., Carey Ellis, Louis McFaul, Jr.. Members elected in 1941: Pat F. Bass, James P. Ewin, Quin Gautier, Richard Lipscomb, Herman Loeb, Peter Mandich, Clarence J. Morrow. Members elected in 1940: Jack A Bornemann, Edward D. Finley, Claude Groves, J. Harvey Johnston, Sabin Landry, A. Tau Beta Pi was founded at Lehigh University in 1885. La. Beta was established at Tulane in 1936. The purpose is to distinguish those who have conferred honor upon their Alma Mater by high scholarship and exemplary character as undergraduates in Engineering, or by attainments in Engineering as alumni, and to foster a spirit of liberal culture in the Engineering colleges of America. Members in the faculty are: E. J. Angelo, J. A. Cronvich, Jerome C. Baehr, Donald Derickson, A. Lee Dunlap, J. A. Gerster, A. M. Hill, J. K. Mayer, R. L. Menuet, Henry Maddon, C. W. Ricker, James M. ALPHA PHI OMEGA

Alpha Phi Omega was founded at Lafayette College in 1925. Gamma Upsilon chapter was established in 1941. It has 100 active chapters in every major university in the country. It is a national service fraternity and is composed of students who desire to direct their energies and talents toward the benefiting of their fellow man. The purpose of the fraternity is to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity.

PHI PHI

Phi Phi Fraternity was founded at the University of California and was established at Tulane University in 1927. Its members are selected from the Junior and Senior members of several of the social fraternities on the campus, one member from each fraternity. Its purpose primarily is to promote good fellowship and cooperation between the represented fraternities, and secondarily, to advance the standing of all fraternities through yearly projects of a financial, social, or academic nature.

The Engineer's Technological Atelier was founded at Tulane in 1936. The purpose of this organization is to closer coordinate the students in the various branches of Engineering. Election to the organization is on the basis of interest shown in the school and popularity among the students. Some of the activities sponsored by the E. T. A. are "Engineer's Day" at the football game, the "Engineer's Forum", and the Engineering School's "St. Patrick's Day" dance which is rapidly becoming an event for the entire University.

The Tulane Student Branch of the A. S. M. E. is one of many similar organizations to be found in colleges and universities throughout the country. Its purpose is to unify the efforts of the mechanical engineering students in the direction of their professional careers, to study and discuss contemporary developments in the field of engineering as a whole, to give valuable experience in public speaking through the medium of technical papers, to sponsor and promote social activities for the cultivation of good fellowship and to prepare the student engineer to take an active part in the Senior branches of the Society upon graduation.

The Student Branch of the American Society of Civil Engineers was instituted at Tulane University in 1933. The purpose of this organization is to develop a professional attitude in the students and to help them in their work by bringing them into contact with experienced members of the profession and with examples of the work being done by those members. The Student Chapter is composed of seniors, juniors, and sophomores in the school of Civil Engineering and carries on its work mainly through lectures by outstanding men and field trips to locations at which engineering work is actually in progress. Since its beginning, the Tulane A. S. C. E. has been the only Student Branch in the country to receive the letter of commendation from the National Society every year.

AMERICAN INSTITUTE ELECTRICAL ENGINEERS

Tulane University Branch. Established at Tulane in 1936, the organization seeks to advance knowledge of the theory and practice of electrical engineering and its sciences by supplementing the formal courses of instruction with the presentation of technical papers and the visitation of points of engineering interest; moreover, it strives to bring the students in closer professional and social contact with each other, with the faculty, and with practicing engineers. Projects involving experimentation and a certain degree of research are particularly encouraged. Officers for the past year were: Norman G. Hamm, Chairman; Trist B. McConnell, Vice-Chairman; William J. Jacobi, Secretary; Allison M. Levy, Treasurer; and Ernest J. Angelo, Counselor.

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

Established here in 1938, the Tulane Student Chapter has encouraged student interest in the profession of chemical engineering, by maintaining contacts with practicing engineers. A second, and supplementary role has been played by the organization in bringing members and faculty into more intimate contact with each other. During the year, some of our local professional men have delivered addresses on such subjects as, "Industrial Safety Engineering", "Engineering, Past, Present and Future", and "Plant Management". Membership is open to all men interested in the advancement of the Chemical Engineering profession. Chapter Councilor is Dr. F. M. Taylor. Members in faculty: C. S. Williamson, Jr., J. A. Gerster, F. ALPHA CHI SIGMA

The Alpha Chi Sigma fraternity was organized at the University of Wisconsin, late in 1902, by a group of undergraduates who were fellow students in chemistry at that time. The objects of the fraternity they organized are: (1) To bind its members with a tie of true and lasting friendship. (2) To strive for the advancement of chemistry both as a science and a profession, and (3) To aid its members by every honorable means in the attainment of their ambitions as chemists throughout their mortal lives. The Alpha Tau Chapter of Alpha Chi Sigma was installed at Tulane University in the spring of 1928. In its efforts to further the aims of the fraternity the Alpha Tau Chapter has sponsored two chemistry essay contests every year, one in the public high schools and one for Freshmen chemistry students at Tulane; has assumed the management of the display case in the Richardson Memorial Chemistry Building, and has initiated a safety program in the Chemistry Department.

Newcomb

INTERNATIONAL RELATIONS CLUB

The purpose of the International Relations Club is to study and discuss events which are taking place in the world today, and the situations which led up to them. We have endeavored to do so by becoming acquainted with the ideologies of the countries engaged in the great global struggle going on today, and we have tried to ascertain just what our own war aims are. The club has also cooperated with the Student Lecture Committee for the purpose of presenting lectures to keep the student body informed on international happenings.

WHITE ELEPHANTS

This Freshman Honorary Society was founded at Tulane in 1921 for the promotion of school spirit. Each year the fraternities that are members send their three Freshmen representatives to the organization meeting, where they get their first taste of campus politics. Aside from taking an annual field day on which this society appears in white gowns on the Newcomb campus and at the football game, and stirring the righteous indignation of the S. P. C. A., this organization annually presents a trophy to the most outstanding member of the Freshman class of the entire University. William Kimble served as Big Tusk and John Stephens as Little Tusk.

BETA BETA BETA

Tri Beta is a new organization on the campus this year. Formally Lampyrids, they were initiated into the national fraternity on October 10. At their installation Dr. W. K. Butts, regional president, officiated and the chapter from Springhill came to the banquet. Needless to say a good time was had by all. Connie Claverie is President; Verlyn Murphy, Vice-President; Lucille Loubat, Secretary-Treasurer, and Louise Ellison, Historian. This year they have undertaken a new program of student lectures to stimulate undergraduate research and so far the efforts have yielded such varied results as lectures on endocrinology, photosynthesis, and medical art.

ORDER OF THE COIF

The Order of the Coif is the oldest national honor legal society organized for the recognition and advancement of high standards of scholarship in law. The Tulane Chapter was installed in 1931. Officers for the past year included Walter J. Suthon, Jr., President and Ray Forrester, Secretary.

OREADES

The Oreades is an honorary organization formed at Tulane University in 1939 to sustain interest in classical knowledge, and to make more persons aware of how important the knowledge imparted through Latin and Greek is in the world today. Yearly activities include a Saturnalian party, in imitation of the old Roman Holiday which was celebrated during the middle of December. The last activity of this year by the members of the organization was the presentation of the *Mostillaria*, a Latin comedy by Plautus, translated by the several students of Latin into colloquial English. Officers for the past year were: President, Myrl Lenfant; Vice-President, Thiaia Leopold; Secretary, Ruth Bannister; Treasurer, Muriel Smith.

Phi Delta Phi was founded at the University of Michigan in 1869. White Inn Chapter was established at Tulane in 1911. There are now sixty-two active Inns and Barristers' Inns. The colors are Claret Red and Pearl Blue; the flower, the Jacqueminot Rose. The purpose of this organization is to promote a higher standard of professional ethics and culture in this and other law schools and in the profession at large.

The Tulane Law Review, successor to the Southern Law Quarterly, is recognized internationally as one of the world's outstanding journals of civil and comparative law. It was the first law review to be published in the State of Louisiana and is one of the primary research sources for Louisiana lawyers and scholars. The work of publication is done by a Board of Editors composed of honor students in the Tulane College of Law, with the advice and aid of the faculty and alumni. The war has had its effect on the personnel of the Review but not on the quality of its content. The Board of Editors numbers nearly twenty members under normal conditions. During this year 1942-43 the Board, at one time, had four members. But this small Board has valiantly and unselfishly shouldered the task of editing an excellent volume. In doing so they have brought honor to themselves and to the University. The greatest credit is due the editors-in-chief. James W. Bean editing the first two issues of the year, was a splendid, conscientious editor. The normal labor and responsibility of the office was greatly increased by the shortage of personnel. When Mr. Bean graduated at the end of the first term he was succeeded by Carey J. Ellis, Jr., the present editor, who has followed, with the same skill and loyalty, the example of his predecessor. The present Board (March, 1943) consists of James N. Erwin, Jr., Robert M. Jeter, Jr., Marjorie Lynch, and John F. Caraway. The following were members of the Board during the year but are now with the armed forces: William Burlie Brown, Rene H. Himel, Jr., Ralph N. Jackson, Harold Marx, Jr., Max P. Zander, and Melvin I. Schwartzman. Appreciation should be expressed to the faculty for unusual efforts in preparing leading articles and guiding student efforts during the year. Oscar J. Tolmas, Richard D. Norton, and Aurelio A. Alba acted at various times during the year as business manager. Miss Gertrude Stein, the Secretary of the Review, served throughout the year with her customary energy and loyalty. And while there may be no such thing as an indispensable man, the Tulane Law Review believes it has the indispensable woman.

THE MOOT COURT

The Moot Court competition in the College of Law operates so as to give the student training in some of the more practical aspects of the practice of the legal profession. Through specialized training in the preparation and argument of cases, the student is introduced to what in the future will be his stock in trade. Research, brief writing, and court room technique are stressed and every effort is made to aid participants along these lines.

The Board is composed of ranking members from all classes in the college.

The work of the Board is to prepare the facts to be argued, to sit as justices on the Supreme Court of Tulane, and generally to supervise and administer the competition. The Moot Court competition for the year

1942 was won by Peter Bernard, Michael Culligan, and Howard Gist.

Donald Ehrhart was the winner for the year 1943.

The year turned out to be another mediocre one as far as sports at Tulane were concerned. This, however, was to be expected as many of the boys left school to volunteer for the Army, Navy, and Marines. The football team continued to win every other game even under the guidance of Little Monk. Lefty Haynes took the basketball team in hand and showed the crowd a smooth-working ball team. The track team enjoyed a fair season, but the baseball team had it tough most of the time. As in the previous year, the tennis team proved to be the one bright spot in the Tulane sports world, Coach Pare's boys winning the Southeastern Conference Championship for the second straight time. Prospects for the coming year are bright in spite of the number of boys leaving school as new talent is constantly being discovered.

THE COACHES

"Little Monk" was named head football coach effective April 1. He joined the Tulane staff as head coach in basketball and assistant football coach in 1938, after serving three years as head football coach and athletic director at Transylvania College in Lexington, Ky. Charlie Rucker was elevated to chief assistant football coach and head line coach. Rucker was captain of the Wave 1928 and all-Southern tackle in 1929. He came to Tulane in 1936. "Lefty" Haynes was named assistant coach and Robert Kellogg was made backfield coach. The work of this new staff was exemplified by the unquenchable spirit shown by the Tulane football teams.

THE SEASON BEGINS

The Wave opened its season with an unexpected and very impressive win over the Trojans of Southern California by a score of 27-13. In the first quarter Ely scored from the nine-yard line on a drive which started from the Trojans' 43-yard line. Lou Thomas scored the second touchdown on a beautiful 64-yard punt return, behind excellent blocking by Walt McDonald. A poor punt by Heywood gave the Greenies the ball on the Trojans' 44 yard line from where Ely and Thomas alternated carrying the ball to score in only six plays. Renfroe set up the final score for the Greenies by intercepting a Trojan pass and racing to Southern California's 23. Fischer tore around right end for 19 yards and Pittman crashed over on the next play. Grush kicked the point. With the game on ice, Little Monk took his first string line out and Trojans managed to score on a sustained drive of 90 yards. Capitalizing on a Greenie fumble in the closing minutes, the Trojans scored again on a plunge by Hardy from the one yard line.

Auburn is stopped at the line of scrimmage.

Led by Monk Gafford, All-American back, the Plainsmen from Auburn walloped the Wave 27-13. Auburn scored first but the Greenies soon tied the score, Grush taking a lateral from Thomas and running 16 yards for the touchdown. Beginning the second half, the visitors got the ball on Tulane's 12-yard line as a result of a poor punt and Irby scored standing. Undismayed, the Greenies bounced right back. Sparked by Thomas and Pracko, the Wave drove 55 yards for the score. A beautiful 30-yard pass from Gafford to Clayton accounted for the third Auburn touchdown. The Greenies then launched a desperate passing attack but Pittman's pass was intercepted by Finney on the Wave's 40. A few plays later Irby again scored.

**WE BEAT
RICE—THEN
GEORGIA!**

Renfroe eludes a Rice tackler.

Flashing a brilliant open attack and a vastly improved line, the Greenies came back and upset the unbeaten Rice Owls 18-7. Thomas threw a 40-yard pass to Comer for the first score. The try for extra point was missed. Early in the second period, Rice marched down to the Greenies' 16, from where Eikenberg faded back and shot a pass to Williams in the end zone. Bowen's kick was good and Rice led 7-6. But only for a minute!! for a few plays later Thomas heaved a 50-yard pass to Porter for the Wave's second score. In the third quarter a Tulane drive was halted on Rice's 36. Thomas made a beautiful placement to give the Wave an additional three points. In the final period, Brignac got off a beautiful kick to the Rice two. An attempted pass on a fake kick was knocked down by Grush for an automatic safety.

Lou Thomas heads for a score in the Rice game.

Twenty thousand spectators saw a spirited Tulane team go down for one of the worst defeats in Tulane history before the mighty Georgia Bulldogs. Georgia scored in the first period when Sinkwich scored on a short gain. The Greenies made a brief bid in the second quarter when the Wave marched to the four, but Thomas was thrown for a loss, and the ball went over to Georgia on downs. The half ended with Georgia leading 7-0. In the second half, Sinkwich passed to Davis for two touchdowns in rapid succession, then Trippi ran 63 yards for another score. Tulane unleashed a desperate but futile passing attack. Trippi intercepted one of Key's tosses, returned it for a touchdown and Jim Dodd, on a spinner, ran through the entire Tulane team for 40 yards and the final tally.

This Tar Heel is stopped at the line of scrimmage.

TWO SUCCESSIVE VICTORIES

The Greenies scored first on a pass from Thomas to Comer. Undismayed, the Tar Heels struck back and tied the score on a pass from Cox to Tanty. A few plays later Fischer flipped a pass to McDonald which was good for 47 yards and a score. In the third period the Wave added a field goal from the 10-yard line followed a few minutes later by a 28-yard dash through the entire Tar Heel team by Thomas. In the final period the Tar Heels marched 75 yards for their second touch-down. A desperate last-minute pass by the Tar Heels was intercepted by Ely, Brignac picked up 15 yards, and Thomas passed to Comer for the score. Final score, Tulane 29, North Carolina 14. old "win one and lose one" jinx. Vandy scored first on a sustained drive of 50 yards. Early in the second quarter a lateral-forward from Grush to Thomas to Comer gave the Greenies a score. Later in the quarter, the Wave added their second score on runs by Thomas and Fortier. In the third quarter Vandy evened the score on a plunge by Rohling and then took the lead on Webb's pass to North over the goal. Key, who entered the game in the fourth quarter, completed two spectacular passes to Comer for the Wave's last two scores. The final score was Tulane 28, Vandy 21.

Vandy's Rohling makes five yards around end.

A tricky offense by Mississippi State scores a touchdown.

TWO MORE DEFEATS

The Mississippi State Maroons defeated the Wave, 7-0, in a very stubbornly fought game. The score was a true indication of the closeness of the contest, Tulane making 12 first downs to 11 for State. The lone tally came in the second quarter when Lamar Blount got loose around right end for 18 yards and pay dirt. Shuff, who kicked the extra point later tried for a field goal, which missed by inches. Tulane threatened twice in the first period and again in the third when they marched to State's eight yard line. However they lacked the scoring punch and the spark which had been provided in past games by Thomas who remained on the sidelines with injuries suffered in the Vandy game.

Lead by an array of former All-Americans and professional players, the Naval Aviators showed too much power and defeated a crippled Wave team 7-0 in the Greenies last home game of the 1942 season. With Filchcock and Tully carrying the ball, the powerful Pre-flighters marched 49 yards for the only score of the day, and Bobby Foxx kicked the goal. For the second consecutive Saturday Tulane was without the services of Thomas and although Key, Brignac, Fischer, and Renfroe tried valiantly, they were unsuccessful against the Navy. Tulane's only real thrust came in the closing minutes of the fourth quarter when they marched down to the Sky-cracker's 12-yard line. Thomas was sent in after four tries and completed a pass to Comer on the three as the game ended.

GAME WITH L. S. U.

The Tigers catch a pass in the end zone.

Starting out cleanly played this game wound up in one of the wildest ever played between traditional rivals. After a scoreless first half, the Wave got a break early in the third period when a Tiger fumble was recovered by Green. Tulane scored from the 12 yard line on a perfect pass from Thomas to McDonald. The Tigers came back at once with runs by Dark and Glamp to place the ball within the Greenies' 15 yard line. Dark finally twisted across on fourth down. At the beginning of the final period, L. S. U.'s Montgomery scored on a beautiful 41 yard run. Then followed the wildest two minutes of football ever seen. Ely fumbled the kickoff and L. S. U. recovered. On the next play Ely recovered a Tiger fumble. On the following play L. S. U. recovered Key's fumble. After three line plays failed to gain, Dark's kick was blocked by Green. Dark recovered the blocked kick on his 35, but Tulane was penalized 15 yards for piling on and 15 more when Coach Simons rushed on the field to protest. Tulane, seeing red by now, launched a desperate pass attack which ended when L. S. U. intercepted. Gorinski scored from the 10 on a reverse, making the final score 18-6 for L. S. U.

BASKETBALL

The Wave opened its season with a convincing 48-38 victory over the Ole Miss Rebels. Bob Duffy scored 19 points to lead all scorers. Center Ray Poole led the Ole Miss scorers with 13 points. Peters and Warren showed remarkable improvement in Tulane offensive formation, breaking up the Rebel defense which had held in the first period. Mississippi State downed the Greenies 37 to 24 in the second game of the season. Tulane led at the half 20-14, but the Maroons defense tightened as the Greenies weakened and the Greenies were held to nine points in the second half. E. Bledsoe led the Maroons with 11 points while McDonald and Duffy score seven apiece. Exhibiting a strong attack in the second half after being held to six points in the first half, the Wave downed Alabama 41-32. Once again Duffy led the Greenies with 16 points. The Crimson Tide came back in the final game of the series and downed the Wave, 48-30. The Greenies lacked the second-half scoring power they showed in the first game. Athas, Peters, and Duffy stood out for the Wave cagers. Ole Miss avenged a defeat suffered at the hands of the Wave in the opening game of the season by coming from behind in the waning moments of the game to defeat the Greenies 37-34. Duffy scored 18 points to be high-point man. Mississippi State battled the Tulane basketekers on even terms with the exception of Bob Duffy. The Maroons were unable to stop Bob as he popped the basket 12 times from the floor, and once from the foul lines to give him a total of 25 points. The final score was Tulane 58, Mississippi State 43. The Wave

VARSITY SQUAD

traveled up to Atlanta where they were handed a 60-36 licking by Georgia Tech in a rough and tumble game. Captain Jack Lane of Tech paced the Jackets scoring with 17 points. The Wave prepared for their annual four-game series with the Bayou Bengals by dusting off the Auburn five 50-30. The Greenies jumped to the lead early in the first period and were never in trouble. Duffy led Tulane with 22 points while Burton sparked Auburn with 15. L. S. U. ran up a 91-57 score on the Wave in the opening game at the Tulane gym. The Bengals were without the services of the ace John Chaney but apparently they didn't miss him. Brian of the Tigers scored 28 points, followed by Duffy with 23 and Lowther of the Bengals with 21. The Greenies came close to upsetting the Tigers in the second period by putting on a spurt in the second half. At one time the Wave held a 10-point advantage but the Tigers settled and came through with a 59-57 win. For the second successive night Brian led the Tiger scorers with 21 points. Athas and Duffy scored 16 apiece. The Tigers trailed the Wave until the last four minutes of the game but Brian pulled the game out of the fire and the Tigers won the third game by one point, 35-34. Brian had 17 points for the Tigers while Duffy had 14. The Tigers took the series final by a 46-40 score. Tulane managed to stop Brian but Bobby Lowther was hot and accounted for 15 points, and Duffy scored 13 points for the Wave. This gave Duffy a total of 199 points for the season and an average of 16.5 points per game which made him leader in both departments for individual scorers of the S. E. C. The Greenies were defeated 48-31 by Kentucky, defending champions in the first round of the S. E. C. tournament played at Louisville, Ky. Kentucky was upset in the finals by Tennessee 33-30.

CAPTAIN EARL BARTLETT

The Conference **CHAMPS**

The Tulane Tennis Team, led by Earl Bartlett, won the Southeastern Conference tennis championship for the second straight year. The Wave had little trouble in defeating the New Orleans, La., Tennis Club, Rice, Texas, Harvard, and Vanderbilt. The Greenies played a 3-3 deadlock with the L. S. U. Tigers in their final match of the year. In the Conference championship held at the Tulane Tennis Stadium, the Wave swept all three championships. Bartlett defeated Jacobi of L. S. U. in a brilliant five set match in the "A" singles. Lou Schopfer won the "B" singles in decisive fashion. The number two doubles team of Schopfer and R. Bartlett beat the number one pair from L. S. U. of Jacoby and Umstaedter

in the biggest upset of the tournament, and then went on to defeat E. Bartlett and McGehee, the number one Tulane team, in the finals. The national inter-collegiate tennis tournament was held at Tulane commencing on the 23rd of June. Bartlett, who was seeded seventh, and Lou Schopher were the Greenie entrants. Schopher was defeated in the first round by Rodgers of Rice but Bartlett managed to advance to the quarter-finals where he was beaten by Emery Neals of Stanford. Bartlett and Schopher, fourth seeded doubles team, were defeated by Schroeder and Dee of Stanford. The Stanford team completely dominated the tournament as Schroeder beat Dee, a teammate for the singles championship and Schroeder paired with Dee to win the doubles crown from the number two doubles team from Stanford of Wade and Neale. Earl Bartlett was ably assisted during the season by Billy McGehee, Lou Schopher, Captain Roy Bartlett, Wayne Anderson, and Mel Schwartzman.

Captain Monroe, Lockett, and McLane.

ON THE CINDER PATH

The start of the 120-yard high hurdles.

Coach Oakes and the Greenie track squad.

Headed by Captain Dave Monroe, the Tulane track team showed a great deal more promise than Greenie tracksters of the past few years. The Wave opened its season in the old stadium against a powerful Alabama team. Although the Wave was beaten, the boys showed surprising strength and allowed the Tide to sweep only one event. The final total showed Alabama 66½ points, Tulane 45½. Tulane's next dual meet was against Ole Miss. The Wave hit its stride and Monroe, Bentz, Howell, McLane, and Landry each scored double wins. Eubanks of the Rebels was high point man with 13. Tulane ran up 75 points against 37 for Ole Miss. The following week the Greenies ran into L. S. U., who swamped Coach Oakes' boys 89 to 23. Monroe and Bentz each scored double wins and McLane finished second in the half-mile to keep the Wave from being shut out. At the conference meet in Birmingham, the Wave scored 11 points. Monroe lost a heartbreaker to Ball of Auburn in the two-mile run by just two yards. Bentz finished second in the shot put and fifth in the discus and McLane finished fourth in the half mile to account for the Wave's points. Captain Dave Monroe, Roman Bentz, Bill McLane, Floyd Howell, George Landry, Vic Klein, Jimmy Kostmayer, Jack Mestier, Gibson Tucker, and Manager Ed Conroy were awarded sweaters at the completion of the season.

BASEBALL

The team suffered quite a number of tough breaks, losing several games by very close margins. The Greenies opened the season with a doubleheader against Illinois Wesleyan. Although they out-hit their opponents both games, the Wave lost, 16-11 and 4-2. In the next game the Pelicans had little trouble in dusting off the Wave, 6-1. The Greenies showed a good deal of improvement against Mississippi State, although losing both ends of a doubleheader again. Lack of hitting power cost these games. The second game was a pitching duel between Yawn and Spraggins, State finally winning, 3-2. Against Ole Miss, Tulane finally drew blood, splitting a doubleheader, winning the first, 9-2, and losing the second, 16-4. This brought up the four-game series with L. S. U. They took the first, 5-4, but Tulane came back strong in the second to win, 7-6. The next day was a different story, L. S. U. winning both games with ease.

NEWCOMB ATHLETICS

The Newcomb Athletic Department has endeavored to give to the fairer sex a large variety of sports. The program requires that all students receive instruction in several sports in their Freshman year and thereafter they are allowed to elect any one course for an additional two years. Teams are organized and a series of tournaments are arranged for the team sports. Trophies are awarded the individual winners in archery, bowling, ping-pong, tennis, fencing, badminton, and schuffleboard tournaments. Gym Night brings forth the winners in the individual sports and the course is climaxed by the annual May Day Dance.

It began as any other winter Sunday. Freighters, cargo liners, passenger ships—a thousand odd—flying the American flag—moved peacefully along their global routes. Then the brutal attack on Pearl Harbor and by the end of the day, this great armada was already molding itself into a single dynamic fighting unit.

From peace to war—overnight! New routes, new destinations, new cargoes, new passengers. A stirring transition made swiftly and efficiently by the sea and shore staffs of America's Merchant Marine.

UNITED FRUIT COMPANY

Dollars For Security

The dollars which are being sent ahead today through life insurance are serving a two-fold purpose—

They are providing protection and security for individual policyholders and at the same time are working toward financing the war in which we are now engaged.

The Pan-American Life Insurance Company, during 1942 alone, invested \$2,000,000.00 in bonds of the United States Government, representing more than twice the amount received in premiums on new life insurance written.

Total Assets over	\$ 48,000,000.00
Capital and Surplus over	\$ 2,685,000.00
Total Insurance in Force over	\$189,000,000.00
(Insurance in Force in Louisiana over \$35,700,000.00)	

Many college men and women are engaged in the business of Life Insurance Selling, as a career. There may be a place for you in this great business.
